

WPCS Announces \$2.4 Million in New Contracts

EXTON, PA – (PR Newswire – First Call) – February 27, 2007 WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that it has recently been awarded a variety of new contracts totaling approximately \$2.4 million.

Some of the new contracts awarded to WPCS, through its subsidiaries, include projects to be completed for Sprint Nextel, Avaya, T-Mobile, Seacoast Builders, Mount Laurel Emergency Medical Services, Caesars Hotel & Casino, Digital Dispatch Systems, VCI Group, California Pacific Medical Center, Caltrain, Cincinnati Bell and Convergent Technologies.

Donald Walker, Executive Vice President of WPCS, commented, "Although our company recently announced pending acquisitions, we continue to focus on developing opportunities within our existing customer base as well as bidding selected projects based on our experience. We are pleased that the high satisfaction level of our existing customers allows us to generate repeat business. Also, we are strengthening our organic growth potential by gaining new customers."

About WPCS International Incorporated:

WPCS provides design-build engineering services for specialty communication systems and wireless infrastructure including site design, product integration and project management. The company has an extensive customer base that includes corporations, government entities and educational institutions. For more information, please visit www.wpcs.com
