

WPCS Announces \$4.6 Million in New Contracts

EXTON, PA – (PR Newswire – First Call) – August 14, 2007 WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that, through its subsidiaries, it has been awarded approximately \$4.6 million in new contracts.

Some of the recently awarded contracts include projects to be completed for the North Tahoe Public Utility District, County of Sacramento, St. Joseph's University, ADT, Connecticut Water Company, U.S. Navy, Rutgers University, Old Saybrook Police Department, Guangzhou Gas Company and the Port Authority of New York and New Jersey.

Richard Schubiger, Executive Vice President of WPCS, commented, "WPCS has been successful of late in obtaining contracts in the public safety and utility sectors. There has also been a lot of activity in the education market. The company continues to position itself to take advantage of these high growth sectors by offering, what we believe to be, the most comprehensive services capability in the specialty communication systems market. We continue to look forward to a successful year."
