

## New Projects Totaling \$14.5 Million Awarded to WPCS

**EXTON, PA - (PR Newswire - First Call) - December 19, 2007)** WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that, through its subsidiaries, it has been recently awarded approximately \$14.5 million in new projects. The contracts include projects to be completed for Kaiser Permanente, UC Davis, Beale Air Force Base, the Crocker Art Museum, CalPERS and the State of California.

Donald Walker, Executive Vice President for WPCS, commented, "We are pleased at the recent project awards, many of which are new customers for WPCS. Our goal is focused on providing the highest quality of service to these new customers while expanding the relationships so that we can provide our comprehensive scope of engineering capabilities in the future."

About WPCS International Incorporated:

WPCS is a design-build engineering company that focuses on the implementation requirements of wireless technology. The company serves the specialty communication systems and wireless infrastructure sectors and provides services that include site design, technology integration, electrical contracting, construction and project management for corporations, government entities and educational institutions worldwide.
