

WPCS Announces \$1.3 Million In New Public Safety Projects

EXTON, PA - (PR Newswire-First Call) – October 25, 2005 - NASDAQ: WPCS – News) WPCS International Incorporated (WPCS), a leader in wireless infrastructure services and specialty communication systems has announced that it has recently been awarded a variety of new projects totaling \$1.3 million for wireless infrastructure services and specialty communication systems. Included in the contracts awarded to WPCS are public safety projects to be completed for the Monmouth County Police Department, Egg Harbor Township Police Department, Highland Park Police Department, West Windsor Police Department, Howell Fire Department and Bergen County Office of Emergency Management, all located within New Jersey.

In addition to these contracts, the Lacey Township, New Jersey Police Department has chosen WPCS, through their subsidiary Quality Communications, to replace their obsolete 911 Police Dispatch Center with state-of-the-art Zetron Integrator® wireless phone and radio system. This project follows a recent upgrade of Lacey's Fire and EMS two way radios with Motorola's SmartNet® units, which are also designed, engineered and provided by WPCS. Captain David Paprotta of the Lacey Township Police Department, commented: "WPCS/Quality Communications was the logical choice for this project as their experience and quality workmanship is superior to their competition. They provided us with a turnkey solution for all of our communication needs. Also, the ability to purchase through their New Jersey State contract further simplified the process."

About WPCS International Incorporated:
