

\$4 Million in New Projects Awarded to WPCS

EXTON, PA – (PR Newswire – First Call) – September 25, 2006 WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that it has recently been awarded a variety of new projects totaling approximately \$4 million. Some of the contracts awarded to WPCS include projects to be completed for Sutter Health, National Grid, ASTI Transportation, The Showboat Casino-Hotel, Turner Construction, Motorola, Salvation Army and Harrah's Casino.

In addition to these projects, WPCS, through its Quality Communications subsidiary, was awarded a contract from Ecast to provide Airlink Raven-E wireless modems. Ecast operates a premier network of broadband-enabled jukeboxes in the U.S. serving music to over 42 million listeners per month. The wireless data collaboration between the companies allows Ecast's mobile digital jukebox customers to access its online music network through the wireless modems and the reliable high-speed Verizon Wireless BroadbandAccess (EV-DO) network.

Michael Kerwick, Director of Sales for WPCS/Quality Communications, commented, "Mobile technology continues to advance and WPCS has provided a variety of innovative solutions that assists in transporting data in a wireless environment. We are pleased that we continue to be on the leading edge of wireless technology and its application in diverse markets."
