

## \$9 Million in New Contracts Awarded to WPCS

**EXTON, PA – (PR Newswire – First Call) – March 28, 2007** WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that it has recently been awarded a variety of new contracts totaling approximately \$9 million.

Some of the new contracts awarded to WPCS, through its subsidiaries, include projects to be completed for Truckee Sanitary District, Avaya, Urban Harvest Partnership, Sprint Nextel, Rand Whitney Container, ASTI Transportation, National Grid, Best Outdoor, Earle Naval Ammunition Depot, Fleet Electric, VCI Group, the National Oceanic & Atmospheric Administration (NOAA), Crown Castle and the State of California Board of Equalization.

In addition to these customers, WPCS, through its Quality Communications subsidiary, obtained a \$4.6 million contract from a major utility company for wireless modems that will be deployed for telemetry applications and for wireless mobile communications.

Richard Schubiger, Executive Vice President of WPCS, commented, "We are pleased with the latest round of new contract awards. WPCS continues to perform well in serving and supporting our existing and new customer relationships. As evidenced by the diversity of our customer base, the company's engineering experience in the design and deployment of wireless solutions for a variety of markets is extensive and growing. Our company is also developing our engineers in all facets of wireless communications, further strengthening our competitive advantage."

About WPCS International Incorporated:

WPCS provides design-build engineering services for specialty communication systems and wireless infrastructure including site design, product integration and project management. The company has an extensive customer base that includes corporations, government entities and educational institutions. For more information, please visit [www.wpcs.com](http://www.wpcs.com)
