

## WPCS Announces Over \$10 Million in New Contracts

**EXTON, PA – (PR Newswire – First Call) – April 18, 2007** WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that it has been awarded a variety of new contracts totaling approximately \$10.6 million.

Some of the new contracts awarded to WPCS, through its subsidiaries, include projects to be completed for United States Postal Service, Wesco Distribution, Commonwealth Electric, Foxwoods Resort Casino, Boston Edison Company, Rand-Whitney Group, Union Pacific Railroad, Bradley International Airport and Monmouth University.

Charles Madenford, Executive Vice President of WPCS, commented, "WPCS is continuing to build momentum with new projects and new customers. Our backlog has increased over the past month and we are seeing a strong demand for our services including the deployment of wireless networks, structured cabling, electrical contracting and trenching. Our company remains diverse in its engineering services, which is allowing us to bid many different projects."

About WPCS International Incorporated:

WPCS provides design-build engineering services for specialty communication systems, which includes dedicated wireless networks for specific applications and for wireless infrastructure, which encompasses cellular networks for wireless carriers. Our range of services includes site design, integration, cabling, electrical contracting, trenching, construction, testing and maintenance for corporations, government entities and educational institutions worldwide.
