

## WPCS Awarded \$10 Million in New Projects

**EXTON, PA - (PR Newswire - First Call) - September 29, 2008)** WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for specialty communication systems and wireless infrastructure, has announced that, through its subsidiaries, it has received approximately \$10 million in new projects.

The contracts include projects to be completed for Bristol-Myers Squibb, New Jersey Natural Gas, Boston Edison, Cricket Communications, Infinity Wind Power, Glastonbury High School, East Lyme Police Department, Bergen County Police Department, Koppers, New Jersey Transit, City of Rancho Cordova, AT&T and Crown Castle.

Also included in the new contracts received is a project for Purolator Courier Ltd., Canada's largest courier company. The project encompasses the deployment of 2,000 AirLink Raven X wireless modems that have been programmed to provide connectivity to Purolator's shipping systems installed in customer locations across the country. For Purolator, the upgrade to wireless modems will enhance communications for their shipping operations on a cost effective basis.

Michael Kerwick, Vice President for WPCS/Quality Communications, commented, "We are pleased in the confidence Purolator has placed in our ability to provide an advanced wireless communications solution for their nationwide shipping operations. We believe that WPCS continues to grow based on our reputation for providing the highest level of customer satisfaction."

About WPCS International Incorporated:

WPCS is a design-build engineering company that focuses on the implementation requirements of wireless technology. The company serves the specialty communication systems and wireless infrastructure sectors and provides services that include site design, technology integration, electrical contracting, construction and project management for corporations, government entities and educational institutions worldwide.
