

WPCS Awarded \$7 Million in New Projects

EXTON, PA - (PR Newswire - First Call) - March 31, 2009 WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for communications infrastructure, has announced that it has received approximately \$7 million in new projects.

The new contracts include projects to be completed for Women's & Children's Hospital, Oak Valley Hospital, California State University Sacramento, Transbay Transit Center, Montclair Fire Department, Holmdel Township, Berkeley Heights Police Department, Holyoke Police Department, Town of West Hartford, AT&T, Clipper Windpower and the Port Authority of New York and New Jersey.

Donald Walker, Executive Vice President of WPCS commented, "Since the legislation of the federal stimulus package, we are beginning to see an increase in bid solicitations for infrastructure work in the public services, healthcare and energy segments of our business. We believe the increase in bid activity will give us an opportunity to build our backlog. The management team is very encouraged going forward and believe that the high quality and superb reputation of our design-build engineering services will continue to position the company well for future bids."

About WPCS International Incorporated:

WPCS is a design-build engineering company that focuses on the implementation requirements of communications infrastructure.
