

## WPCS Announces \$6 Million in New Contracts

**EXTON, PA - (PR Newswire - First Call) - May 11, 2009** WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for communications infrastructure, has announced that it has received approximately \$6 million in new contracts.

The new contracts include projects to be completed for the UNR Center for Molecular Medicine, Long Branch Police Department, New Britain Police Department, Mobile Life Support Services, Cooley Dickinson Hospital, University of Washington Bothell, Boston Edison, Boeing, Nintendo, Group Health Silverdale Medical Center and Duke Energy.

Myron Polulak, Executive Vice President of WPCS commented, "Over the last month, we have seen an increase in bid activity indicating to us that infrastructure expenditures are being planned. With our depth of experience and extensive customer base, we believe that we are well positioned to respond to the increase in bid activity with our goal of converting a percentage of these bids to backlog."

About WPCS International Incorporated:

WPCS is a design-build engineering company that focuses on the implementation requirements of communications infrastructure. The company provides its engineering capabilities including wireless communication, specialty construction and electrical power to the public services, healthcare, energy and corporate enterprise markets worldwide.
