

\$8.7 Million in New Projects Awarded to WPCS

EXTON, PA - (PR Newswire - First Call) - June 10, 2009) WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for communications infrastructure, has announced that it has received approximately \$8.7 million in new projects.

The new contracts include projects to be completed for the Pittsburgh Unified School District, the United States Department of Agriculture, the New Brunswick Police Department, the Nassau County Police Department, Nortech Systems, Manatee County, Florida Department of Transportation, Crown Castle and Sprint Nextel. In addition, WPCS was awarded international projects in China and Australia for China National Offshore Oil Corporation, Livingstone Christian College, McDonald's and Burpengary Medical.

Charles Madenford, Executive Vice President of WPCS commented, "We are pleased to see an increase in bid opportunities in the public services, healthcare and energy sectors. It is becoming apparent that expenditure consideration for communications infrastructure has improved over the last few months. With this increase in bid activity, we believe we will have the opportunity to strengthen our backlog over the next several months. Our international businesses are performing well, especially in China. Overall, our comprehensive engineering services remain in demand and we are very optimistic about the future."
