

WPCS Obtains \$9 Million in New Projects

EXTON, PA - (PR Newswire - First Call) - September 28, 2009 WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for communications infrastructure, has announced that it has received approximately \$9 million in new contracts.

The new contracts include projects to be completed for the U.S. Department of Veterans Affairs, San Francisco International Airport, Kaiser Permanente, Beale Air Force Base, University of Connecticut Health Center, Rockaway Township Police Department, Neptune Township Police Department, the University of California and Manatee County. In addition, new projects were awarded to WPCS from Shenzhen Gas Corporation in China as well as Belmont Hospital and the St. Andrew's School in Australia.

Myron Polulak, Executive Vice President of WPCS commented, "We continue to build our customer base with an outstanding reputation for delivering high quality design-build engineering services for communications infrastructure. We are seeing bid opportunities develop especially in the public services market as the fiscal stimulus package is having a positive affect."

About WPCS International Incorporated:

WPCS is a design-build engineering company that focuses on the implementation requirements of communications infrastructure. The company provides its engineering capabilities including wireless communication, specialty construction and electrical power to the public services, healthcare, energy and corporate enterprise markets worldwide.
