

\$6.2 Million in New Projects Announced by WPCS

EXTON, PA - (PR Newswire - May 12, 2010) WPCS International Incorporated (NASDAQ: WPCS), a leader in design-build engineering services for communications infrastructure, has announced that it has received approximately \$6.2 million in new contracts.

The new contracts include projects to be completed for Brown University, Princeton Township Police Department, Motorola, Federal Aviation Administration, U.S. Department of Veterans Affairs, Madigan Army Medical Center, Seattle P&DC and ConocoPhillips. In addition, many new projects were awarded internationally including the Australian Red Cross, St. Andrews Hospital, Cathedral College, North Lakes State College and the Brisbane North Institute of TAFE all located in Australia and Shenzhen Gas, Zhongshan Gas, Taishan Gas and Tangshan Gas all located in China.

Gary Walker, Executive Vice President of WPCS commented, "WPCS is gaining some momentum in project awards. The company continues to see a solid market for our communication infrastructure services and we are not only servicing our existing customers, but adding new customers as well. Our international business is expanding and we are encouraged in regards to the potential opportunities that exist. The management team remains focused on generating strong bid activity and backlog results."

About WPCS International Incorporated:
